

Nuku Ora Board Member (x3)

Are you passionate about physical activity and your community?

Then we would love you to consider joining our Board of Trustees.

Nuku Ora is a charitable trust, and our vision is for everyone to be active, healthy, and happy. We understand that access to physical activity is not equitable and are advocating for this to change so everyone can access quality physical activities of their choice whether that's through play, active recreation, sport or active transport.

Due to retirement and reaching maximum term limits, we have 3 x Board Member vacancies this year.

Strategy 2032 is Nuku Ora's long-term strategy that was developed in 2020.

Our 12-year strategic outcome for this plan is *"Improved hauora and wellbeing of individuals, whānau, and communities through increased physical activity"*.

Our primary focus is to increase levels of physical activity across the rohe through ensuring that everyone can participate and enjoy being active.
